Student-Led Parent / Teacher Conferences – K/1/2

Tuesday 9 April and Wednesday 10 April 2019

Dear Parents,

On Tuesday 9 April and Wednesday 10 April, I will be holding student-led parent/teacher conferences. The purpose of these meetings is to inform you of your child's progress along their learning goals this semester. It is a time to share what they are currently working on and as parents and teachers working together, we may reflect and have input on future goals. Each interview will be of 10 minutes duration.

Please fill out the slip below with your preferred times and order of preference. It is usually best to list at least three preferences. Every effort will be made to meet your first preference, but this will be based on the prompt return of the form.

Kirstin Flamme
K/1/2 Teacher
