Parent help is vital for the Small Schools Athletics Carnival to run smoothly. Your assistance may be to help rake the sandpit for long jump or help measure the distance for discus. There may be jobs that assist teachers in recording the results of events.

We know that many parents have expertise in the running of athletics events and that some may have no experience at all. Regardless of your level of experience we need your assistance to run the many events.

If you can help out in any way on the day, even for only part of the day, please complete and return the form attached **ASAP** so we are able to ascertain if we will have enough assistance to run the carnival in this way.

We look forward to an exciting carnival filled with lots of laughter and fun.

Thank you in advance to all the parents who have volunteered to assist on the day.
